1) Queen and La - dy of Mount Car - mel, Seen by pro - phet's mys - tic
gaze, Shown a - bove the ho - ly moun - tain, as E -
li - as kneels and prays. Cloud - like ris - ing from the o - cean,
pure and free from ev - 'ry stain, She doth claim His heart's de -
vo - tion, Through the a - ges to re - main.

Refrain
Mo - ther of Mount Car - mel. Hear! When we
call, Oh! Be thou near! Mo - ther of Mount Car - mel.
Hear! When we call, Oh! Be thou near!

2) To the prophet's sons descendeth,
As a sacred legacy
Love of Mary's pure conception;
Virgin Mother yet to be!
Tender Mother, she hath clothed us
With a double garment fair;
Pledge of heavenly protection
Is the scapular we wear.

3) Queen and beauty of Mount Carmel
Christ's dear gift on calvary!
Refuge sure in every danger,
Confident we fly to thee!
Mother, hear our humble pleading,
Grant the favors we implore;
To thy love we are appealing,
Bless us now and evermore.
